

2026 Product Catalog

Data Cables, Charging Cables, HDMI & Custom Cable Catalog

Covering fast charging, data transfer, HD audio/video, TPU coiled cables, household cables, and commercial cable solutions, with OEM/ODM, packaging, length customization, and bulk supply support.

Mobile Charging Cables

Type-C, Lightning-style, Micro USB, and multi-in-one fast charging cables for retail and channel supply.

High-Speed Data Cables

USB 2.0 / USB 3.0 / USB4 options with stable data transfer and durable structures.

HDMI AV Cables

For 4K, 8K, installation wiring, home theater, conference displays, and gaming devices.

TPU Coiled Cables

Flexible, resilient, and tensile-resistant for automotive, industrial equipment, handheld terminals, and custom connectivity.

Household Cables

Power cords, extension cords, Ethernet cables, coaxial cables, AV cables, and appliance cables customized to market standards.

Application Visual Showcase

Show product applications, key selling points, bundle solutions, and manufacturing capability. Click image areas to replace with your product, scene, or packaging images.

01 / Visual Showcase

MAIN VISUAL

Full Range of High-Speed Connectivity Products

Use a multi-product group image, technology desk scene, or hero poster to highlight the complete product range and brand professionalism.

CHARGING

Fast Charging Application

Show smartphones, tablets, and laptops in fast charging scenarios with PD, QC, or 240W selling points.

DATA TRANSFER

High-Speed Transfer & Office Expansion

Show external drives, docking stations, monitor connections, and office desktop use.

HDMI DISPLAY

HD Audio/Video Display

Show TVs, projectors, gaming consoles, conference screens, or 8K display connections.

PACKAGE

Packaging & Brand Customization

Show color boxes, hanging cards, gift boxes, labels, or OEM packaging mockups to present customization capability.

Mobile Charging Cable Series

For phones, tablets, car chargers, power banks, and gift sets, balancing fast charging, durability, and retail display.

02 / Charging Cable

CC-C60

USB-C to USB-C 60W Fast Charging Cable

PD 60W 3A TPE/PVC

Suitable for Android phones, tablets, and lightweight laptops. Supports charging and data sync. Standard lengths: 1m / 1.5m / 2m.

CC-C100

USB-C to USB-C 100W Braided Fast Charging Cable

PD 100W 5A E-marker Nylon Braided

For mid-to-high-end fast charging kits. Supports phones, tablets, and laptops. Durable braided jacket for branded retail packaging.

CL-A18

USB-A to Lightning-Style Charging Data Cable

2.4A iOS Devices Retail Bestseller

Suitable for mobile accessory channels, supermarkets, and e-commerce. PVC, TPE, or braided jacket with white, black, and custom colors.

CM-3IN1

3-in-1 Multi-Connector Charging Cable

Type-C Lightning Micro USB

One cable for multiple devices, ideal for gifts, cars, offices, and travel. Connector color, length, logo, and packaging can be customized.

CC-C60	USB-C to USB-C	60W / 3A	PVC / TPE	Phones, tablets, power banks
CC-C100	USB-C to USB-C	100W / 5A	Nylon braided / TPE	Laptop fast charging, premium kits
CL-A18	USB-A to Lightning	2.4A	PVC / TPE / braided	Basic charging for Apple devices
CM-3IN1	A/C input, multi-output	Customized by solution	Braided / TPE	Gifts, car use, travel

Mobile Charging Cable Series

Color, length, logo, and packaging customization available

High-Speed Data Cable Series

For phone sync, external drives, cameras, docking stations, office devices, and high-speed data transfer.

03 / Data Cable

DC-A2C

USB-A to Type-C Data Cable

480Mbps 3A Universal

Universal charging and data sync cable for Android devices, suitable for retail, accessory kits, and charger bundles.

DC-C10G

USB-C 10Gbps High-Speed Data Cable

10Gbps Optional 4K Output Aluminum Shell

For external drives, docking stations, monitors, and high-performance office devices, with higher transfer speed and stable shielding.

DC-C240

USB-C 240W Full-Featured Cable

PD 240W E-marker Premium Kit

For high-power laptops, monitor power delivery, and professional devices. Shielding, chipset, and certification options can be upgraded.

DC-MICRO

USB-A to Micro USB Data Cable

2A 480Mbps Device Bundle

For legacy devices, Bluetooth speakers, power banks, handheld devices, and bundle projects. Cost-friendly and flexible supply.

DC-A2C	480Mbps	Up to 3A	Basic shielding	0.25m / 1m / 1.5m / 2m
DC-C10G	10Gbps	Optional up to 100W	Aluminum foil + braided shielding	0.5m / 1m / 2m
DC-C240	Customized by solution	Up to 240W	High-grade shielding	1m / 1.5m / 2m
DC-MICRO	480Mbps	Up to 2A	Basic shielding	0.5m / 1m / 1.5m

High-Speed Data Cable Series

Specifications can be adjusted based on target price and certification requirements

HDMI HD Cable Series

For TVs, monitors, projectors, game consoles, conference systems, installation wiring, and AV devices.

04 / HDMI Cable

HD-20

HDMI 2.0 4K HD Cable

4K@60Hz 18Gbps ARC

For TVs, projectors, set-top boxes, meetings, and home theater. Stable standard model with strong value.

HD-21

HDMI 2.1 8K Ultra HD Cable

8K@60Hz 4K@120Hz 48Gbps

For game consoles, high-refresh TVs, professional displays, and premium AV devices, supporting higher bandwidth and dynamic visuals.

HD-LONG

HDMI Long Installation Cable

5m-30m Installation Wiring Stable Transmission

For meeting rooms, showrooms, education multimedia, hotel projects, and fixed installations. Length and cable diameter can be customized.

AD-C2H

Type-C to HDMI Adapter Cable

4K Output Plug & Play Office Expansion

For laptops, tablets, and phones connecting to monitors or projectors. Suitable for meetings, live streaming, and mobile workstations.

HD-20	HDMI 2.0	4K@60Hz	18Gbps	TVs, projectors, conference displays
HD-21	HDMI 2.1	8K@60Hz / 4K@120Hz	48Gbps	Game consoles, high-refresh displays
HD-LONG	Long installation cable	Customized by solution	Customized by solution	Showrooms, hotels, education projects
AD-C2H	Type-C to HDMI	Optional 4K	By chipset solution	Laptop expansion, meeting projection

HDMI HD Cable Series
Long cables, installation cables, adapters, and packaging kits available

TPU Coiled Cables & Automotive Harness Customization

For industrial equipment, vehicle devices, handheld terminals, and automotive electronics, offering resilient coiled cables, connector solutions, branch harnesses, and full custom development.

05 / Custom Cable

TPU-SPRING

TPU Coiled Cable / Spiral Retractable Cable

High Resilience Bend Resistant Connector Customization

TPU jacket provides excellent elasticity, wear resistance, and tensile strength. Suitable for vehicle devices, industrial controllers, handheld terminals, medical/testing equipment, aviation plug cables, and retractable custom harnesses.

AUTO-HARNESS

Automotive Wire Harness Customization

Branch Harness Waterproof Connector Terminal Processing

Automotive harnesses can be customized by sample, drawing, or function requirements. Supports multi-core wires, sleeves, corrugated tubes, waterproof connectors, terminal crimping, labels, testing, and mass assembly for lights, sensors, in-vehicle devices, and retrofit kits.

TPU Coiled Cables	Straight section, spiral section, stretch length, and core count customized as needed	TPU jacket, copper conductor, shielding layer, molded connector	Vehicle, industrial equipment, handheld terminals, testing instruments	Connector, wire diameter, color, rebound length, connector solution
Automotive Harness	Single harness, multi-branch harness, waterproof harness, terminal wire	PVC/XLPE wires, corrugated tubes, housings, terminals, waterproof seals	Car lights, sensors, in-vehicle devices, retrofit kits	Wire length, color, terminals, housings, labels, continuity testing

Frequent Stretching Applications

TPU coiled cables are ideal for equipment connections requiring frequent stretching, rebound, and bending.

Automotive Electronics Support

Harnesses can be designed according to vehicle space, connector model, current requirement, and installation method.

Sample / Drawing Customization

Supports sample replication, drawing-based development, terminal crimping, continuity testing, and mass delivery.

Household Cable Series

Covers household power cords, extension cords, appliance cables, home network cables, TV coaxial cables, and AV cables for retail kits, channel supply, and appliance projects.

06 / Home Cable

HOME-EXT

Household Extension Cord / Plug Power Cable

Extension Cord Molded Plug Multi-Country Standards

For home power extension, office desks, household appliances, and retail channels. Plug standards, length, color, gauge, packaging, and certifications can be customized.

HOME-POWER

Appliance Power Cable / Device Cable

2-Core / 3-Core IEC Connector PVC Jacket

For small appliances, office equipment, monitors, speakers, and power adapters. Supports different national plug standards, wire gauges, and safety requirements.

HOME-NET

Home Network Cable / TV Coaxial Cable

RJ45 Ethernet Coaxial Cable Optional Shielding

For routers, TVs, set-top boxes, weak-current boxes, and home network wiring. CAT5e/CAT6, coax connectors, length, color, and packaging can be customized.

HOME-AV

Home AV & Mixed Cable Kit

HDMI Audio/Video Cable Kit Packaging

For TVs, projectors, monitors, speakers, and home entertainment devices. HDMI, coaxial, Ethernet, charging, and power cables can be combined into retail kits.

Household Extension Cord	1m / 1.5m / 2m / 3m / 5m	Home, office, retail channels	Plug standard, wire gauge, color, packaging, certification
Appliance Power Cable	2-core/3-core, IEC connector, molded plug	Appliances, monitors, adapters, office equipment	Terminals, connectors, length, labels, carton marks
Network / Coaxial Cable	CAT5e/CAT6, F-type coaxial cable, shielding structure	Routers, TVs, set-top boxes, weak-current wiring	Shielding grade, connector, color, length, kit
AV Kit Cable	HDMI, AV cable, charging cable, and power cable combinations	Home theater, projectors, displays, retail kits	Bundle solution, color box, barcode, manual

Household Cable Series

Power cord / Extension cord / Ethernet / Coaxial / AV kit

Applications, Packaging & Ordering

Complete solutions from standard stock to OEM/ODM based on sales channel and customer budget.

07 / Order Info

E-Commerce & Retail

For online stores, offline shops, and digital accessory counters. Color boxes, hanging cards, eco boxes, and unified visual kits are recommended.

Gifts & Promotions

For corporate gifts, promotional giveaways, and loyalty redemption. Multi-in-one cables, short cables, and logo customization are recommended.

Projects & Installations

For meeting rooms, showrooms, hotels, education systems, and equipment bundles. HDMI long cables, adapters, and bulk packaging are recommended.

Customizable Items

Length, color, material, logo, packaging, barcode, manual, and carton marks can be customized per order requirements.

Recommended Information for Quotation

Please provide model, connector, length, color, quantity, target market, packaging requirements, and delivery schedule for quick quotation.

Standard Stock	Wholesale, e-commerce, stores	Standard colors, standard lengths, fast delivery	Suitable for trial orders and replenishment
OEM Customization	Brands, gift companies	Logo, packaging, color, barcode, manual	MOQ and artwork need confirmation
ODM Development	Project customers, channel customers	Structure, function, chipset, appearance, and packaging solution	Suitable for differentiated products
Project Support	System integration, hotels, education	HDMI long cables, adapters, batch labels, carton specs	Confirm installation wiring needs first
